Notice

With reference to the recruitment process for the post of Assistant Professor (Guest) and Lab Assistant (Guest) at Government Engineering College, Lakhisarai, it is to clarify that the interviews were completed on 5th September 2026.

A considerable number of candidates appeared for the interview, and the selection process requires careful verification of various eligibility criteria, supporting documents, reservation roster, and other applicable recruitment norms before the final result can be prepared and published.

Therefore, the delay in publication of the result does not indicate any lack of transparency or irregularity in the recruitment process. **The result will be published on the official GEC Lakhisarai portal** once all the necessary verification and formalities have been completed. The result will be published as early as possible.

All concerned candidates are requested to kindly wait for the official notification and refer only to the official Government Engineering College, Lakhisarai portal for authentic information regarding the result.
